

**Looking for [flirty](#) questions to ask a girl?** It's good to ask the opposite sex a question or two to see if she's [interested in you](#). If you ask a girl a flirty question like, "What's your biggest turn ons?" And she answers with a true or [funny](#) answer, that might be a great sign!

Flirty questions to ask a girl

## **My experience asking these questions...**

Okay, okay... So I've had a few relationships myself. And here's what I learned... if I had asked a few tailored questions in the beginning, I might have saved myself from getting into a poor relationship. That's what brought me to relationship questions. They help you save yourself from future misery. Or help you find future happiness.

Here are my BEST tips based on my own experiences...

- **Remember a few that you like** - Keep a couple of your favorite questions in mind. Try to remember a few for when the moment strikes you.

- **Don't forget these as a tool** - Whenever there's a dull moment, whether you're with a spouse or family... pull out a few of these questions.
- **Don't take it too seriously** - Especially when it comes to spouses or those you might be romantically interested in. This isn't a time to start digging! Have fun, make it silly, and don't take it all too seriously.

## Best flirty ones to ask a girl

- Will you let me kiss you now? If I did, what would you say?
- Is there something about me that caught your eye at first?
- What is it about you that most appeals to men?
- What are the greatest deal-breakers, in your opinion?
- Who would you pick if you could somehow have supper with anybody in the world, alive or dead?
- Have you ever experienced love?
- What romantic act made a guy most memorable in your eyes?
- Has there ever been something insane you have done for a guy?
- What three characteristics do you think a good partnership should have?
- Your complexion is radiant. Please share your secret with me.
- Would it bother you if I kept your hand for a little while?
- When was the most recent time someone complimented your looks?
- What Is Your Favorite Fun Activity To Engage In With Your Partner?
- What would you do with \$5,000 if you were given a check?
- What would the name of the film about your life be called? Why?
- In contrast to me, how seductive are you?
- What tickles your fancy?
- What is your craziest fantasy?
- Where would you most desire to be right now on the planet? Or explain why you would pick it.
