

**What are unanswerable questions that no one will ever be able to get!?** As humans, we are quite inquisitive creatures – curious about the unknown. Adults or kids love to ask questions and challenge their minds.

Some questions can be answered, and some do not have answers!

**Let's look at some [funny](#) and deep questions that cannot be answered!**

## **My experience asking some unanswerable questions...**

I consider this kind of like asking questions around a game... For example, I'll pull out a few of these questions at the dinner table. And see how they land.

Usually, I'll get a few smiles and then laughs. And that's what I hope happens for you!

## **The best questions—totally unanswerable questions!**
